SAY YOU'LL BE MINE

Words and music by Christopher Cross

Say you'll be mine
Say you'll be mine until the sun shines
Say you'll be mine
And bring me the dream of a lifetime

I just can't hide the truth no more
I've got to get my feet back down on the floor
I love you so
I need you so
I just don't think I can let you go

Well, it's you that keeps me feeling this way
I don't think I can take it even one more day
It don't seem right
That I should be alone tonight

I REALLY DON'T KNOW ANYMORE

Words and music by Christopher Cross

What do you think about love
Is it a game to be played
To be torn and lost in the wilderness
To be lost
And lonely after all

What do you think about love
Is it a way to be saved
To feel the warmth of another love
To be lost
And lonely after all

I really don't know anymore
I really can't say
I really don't know anymore
I'm just that way

What do you think about love
Is it a game to be played
To keep your heart and have never loved
To be lost
And lonely after all

What do you think about love
Is it a way to be saved
To give up your heart to another love
To be lost
And lonely after all

I really don't know anymore
I really can't say
I really don't know anymore
I'm just that way

SPINNING

Words and music by Christopher Cross

Ooh wee
Got me spinning
Got me spinning 'round
Like I think I'm winning

It may take me a long long time
But I'm gonna find you out
It may take me a long long time
But I'm gonna find you out

Ooh wee
It's only the beginning
You got me spinning'round
Like I think I'm winning

NEVER BE THE SAME

Words and music by Christopher Cross

It was good for me
It was good for you
Now nothing either of us can say or do
Can change the way you feel tonight
Sometimes love just slips out of sight

Just one thing before you go
Just one thing that you've got to know
No one will ever touch me that way
The way that you did that very first day

And I'll
Never be the same without you here
I'll live alone
Hide myself behind my tears
And I'll
Never be the same without your love
I'll live alone
Try so hard to rise above

The years go by
There's always someone new
To try and help me forget about you
Time and again it does me no good
Love never feels the way that it should

I loved you then I guess I'll love you forever
And even though I know we could never stay together
I think about how it could have been
If we could just start all over again

It was good for me
It was good for you
Now nothing either of us can say or do
Can change the way you feel today
Sometimes love just slips away

POOR SHIRLEY
Words and music by Christopher Cross

Poor Shirley
She must hide her tears
For nobody wants to see them
Surely it will break her heart
Time passes as she waits for a friend

We'll take all the doubtful ones in the fight
And make them hold off 'til the spring
Take hold of their hallowed souls
And save them from pain
All of the pain
Save ourselves from all of the pain

Dearly held are the friends
Left in the years and lost in the war
Dearly held are the loves
Save for the ones you lose on your own

Stars will light up the lonely nights
Harbor lights

Making us believe in the love
So struck by the hope of the harmony
Leaving the sorrow
Gently

Poor Shirley
She must hide her tears
For nobody wants to see them
Surely she will win a heart
Time passes as she waits for the wind

RIDE LIKE THE WIND
Words and music by Christopher Cross

It is the night
My body's weak
I'm on the run
No time to sleep
I've got to ride
Ride like the wind
To be free again

And I've got such a long way to go
To make it to the border of Mexico
So I'll ride like the wind
Ride like the wind

I was born the son of a lawless man
Always spoke my mind with a gun in my hand
Lived nine lives
Gunned down ten
Gonna ride like the wind

Accused and tried and told to hang
I was nowhere in sight when the churchbells rang
Never was the kind to do as I was told
Gonna ride like the wind before I get old

THE LIGHT IS ON
Words and music by Christopher Cross

Is it yours
Is it mine
I was never the kind who could draw the line
Are you free
Unforgiven
Is this the kind of world you could live in

It's alright

The light is on
The darkness has run to hide
It's alright
The light is on
But the darkness is just outside
Outside your window

Beating down
Making the sound of the rain
Drive you crazy
Make you lazy
You know it's only the rain

SAILING
Words and music by Christopher Cross

It's not far down to paradise
At least it's not for me
And if the wind is right you can sail away
And find tranquility
The canvas can do miracles
Just you wait and see
Believe me

It's not far to never never land
No reason to pretend
And if the wind is right you can find the joy
Of innocence again
The canvas can do miracles
Just you wait and see
Believe me

Sailing
Takes me away
To where I've always heard it could be
Just a dream and the wind to carry me
And soon I will be free

Fantasy
It gets the best of me
When I'm sailing
All caught up in the reverie
Every word is a symphony
Won't you believe me

It's not far back to sanity
At least it's not for me
And when the wind is right you can sail away
And find serenity
The canvas can do miracles
Just you wait and see

Believe me

MINSTREL GIGOLO
Words and music by Christopher Cross

You're the minstrel gigolo
Don't you know
You sing your songs of love so soft and low
And they want you more and more

All the young and lonely girls wait for you
There by the backstage door
And they're hoping to
Be the one

And when you start to sing
You will be their everything
And when you start to sing
Every woman will open up her heart
And let you in
